It was a very nice Gala, and we had a wonderful time. We had a few pictures taken with New York TVS's Directors, Alexander C. Wilkie and Darren Stern, and one with TVS's Historian and Author, Dan Axelrod. Our friend Carl Deal from Arcana NYC and TVS Historian and Owner, Dan Axelrod, gave a brief lecture in the auditorium. Our special guests for the evening were Walter Cronkite, Soledad "The Prima Dona" O'Brien and Jeff Fager, President of CBS News. The three of them had great lives and stories to tell. Joe was the emcee, and it was a very fun and engaging evening. I'll be posting more detailed reviews of the night's events and pictures in the next couple of days. Our thanks to Dan Axelrod, Abe Vilk and the organizers of the night for a wonderful evening, and for all the donations to the awards, which were enormous. ZOTAC has introduced an Intel Core i7 N3450 based motherboard with various ASRock, ASRock, ASUS, Gigabyte and ASMedia options. This motherboard is in the middle of the mainstream gaming platform. It supports up to 32GB DDR3 memory, dual GeForce GTX 660 and has extensive audio improvements. Let's take a look at the Z-P-E-A-D P55D4 Pro 8GB DDR3 memory kit and its compatibility with the Intel Core i7 N3450-based motherboard. Z-P-E-A-D Z-
