Please note that the opinions expressed in this review are solely those of A1 Interactive, and not of The Escapia. ----- [Character Introduction] [Character Introduction] Throughout the Lands Between, the Elden Ring have been fighting against the 'Mad God'. [Game Settings] It is the year A.R. 21. The world has turned to a new era. The Gods of this world have begun to guide the course of human history. Human civilization has experienced tremendous transformations. The land of Elden, which is the basis of this world's civilization, has already entered a new Golden Age. The once mythical city of Elden and its castle have become modern wonders. On its ruins of the past, new life rises. The land is constantly being attacked by the 'Mad God'. It is a cursed era that has exceeded all limits. There are no high-level heroes from this era. Only fallen fairies that

have been revived by the Mad God appear in this era. Crawlers and monsters, such as Mandragora, the King of the Demons, have appeared in various forms of life on the land. On the world of Elden, Mad God's mysterious power is constantly invading the land. Strange events like dragon explosions, which have no basis in reality, have started happening continuously. The Elden Ring is on a constant search for lost fairies to return to the land. It is their mission to eradicate the mysterious curse that has taken hold of the land. The Elden Ring becomes stronger and stronger. Its members develop in order to awaken their power and become the Elden Lord who vanquishes the curse. [Game Settings] This game is a fantasy action RPG. There is no distinction between the skill and weapon. Your weapons and armor are blended into a single item. Your class determines the overall characteristics of your weapon. The Elden Ring has eight major classes. The gods, which are the apex of bff6bb2d33

***Vampire God* Android application from the Google Play store.**

**The original version of *Terran Legends* was released exclusively in Japan in 1991, being a game that made possible unprecedented development of graphical capabilities. A big dream of ours is to transfer the quality of this long-standing game back to Android.**

**A wide variety of quests, and more than 50 locations with different stories and monster battles await you. Another major change from the original *Terran Legends* is that you now have several usable classes. Your favorite class will be determined by the character's gender and Age.**

**You can read or look back at the quest history through the Quest Information window. You can also see your completed quests and quest maps in a different way.**
